The 3rd International Conference on Advanced Technology & Applied Sciences (ICaTAS 2018)
in conjunction with Malaysia-Japan Joint International Conference (MJJIC 2018)

Call for Contributed Papers:

Malaysia Japan International Institute of Technology (MJIT), Universiti Teknologi Malaysia (UTM) and Arab Academy for Science, Technology & Maritime Transport (AASTMT) will jointly organize the third conference on Advanced Technology and Applied Sciences (ICaTAS 2018) from the 17th - 18th October 2018. The conference will be held at Sama Sama Hotel, Sepang, Malaysia. The conference will highlight recent and significant advances in research and development in advanced technology, applied sciences, and interdisciplinary works. Encouraging young researcher from multi-discipline engineering background to share their new and innovative ideas and/or findings will be the aim of the conference. With participation of a large number of young researchers, it can be a platform for new collaborative ventures and strategic alliances to gain better insights into engineering research and technology innovation to harness the strength and synergies to bring further prosperity to the nations. As the future becomes more competitive and challenging, it is important to remain relevant and maintain the performance for continuous improvement in research & education. As such, this conference will be most significant as we explore and share ideas to further enhance our research.
