**Abstract**

All articles must contain an abstract. Content in abstract should be written with the Font style: Calibri; Font size: 12; Paragraph: Justify; Line spacing: 1.0. Insert two spacing after the abstract before you begin the main text of your article, starting on the same page as the abstract. The abstract should give readers concise information about the content of the article and indicate a short introduction of background study, purpose of the study, briefing about the used method, principal results and major conclusions. The abstract is not part of the text and should be complete in itself; no table numbers, figure numbers, references or displayed mathematical expressions should be included. It should be suitable for direct inclusion in abstracting services and should not exceed 250 words in a single paragraph. Since contemporary information-retrieval systems rely heavily on the content of titles and abstracts to identify relevant articles in literature searches, great care should be taken in constructing both.

For manuscript publication, all provided Figures must follow the standard of quality for publication. Authors must provide a high quality with high resolution Figure. Content in the Figure should be clear and readable. Each Figure must be discussed or mentioned in a body paragraph. The Figure must be placed under the paragraph that discussed about the Figure.

Captions should be below the figure. The caption SHOULD NOT be finished with a full stop (period). Figures should be numbered sequentially through the text— 'Figure 1', 'Figure 2' and so forth and should be referenced in the text as 'Figure 1', 'Figure 2'... and not 'Fig. 1', 'Fig. 2'.

**Wider figure/wider caption**

**Figure 1** Figure with short caption (caption centred)

**Wider figure/wider caption**

**Figure 2** Figure with long caption (justify the caption so that it is as the same width as the graphic)

1.1.1 Table style and format

Table should be placed at the centre unless they occupy the full width of the text. Each Table must be discussed or mentioned in a body paragraph. The Table must be placed under the paragraph that discussed about the Table. Content in the Table should be written with the Font style: Calibri; Font size: 10. The content must be aligned left. B	2
D	4

#### 1.1.1.1 Equation style and format
