

7th International Conference on Advanced Technology and Applied Sciences

in Conjunction with Malaysia-Japan
Joint International Conference [MJJIC 2022]

CALL FOR CONTRIBUTED PAPER

ICaTAS 2022 is the seventh academic event jointly arranged by Malaysia-Japan International Institute of Technology (MJIT) and Arab Academy for Science, Technology & Maritime Transport (AASTMT). It provides a platform for academics, researchers and postgraduate students to exchange research ideas. In conjunction with this event, MJIT also collaborates with Japan University Consortium (JUC) to organize the sixth Malaysia-Japan Joint International Conference (MJJIC 2022). With participation of a large number of young researchers, it can be a platform for new collaborative ventures and strategic alliances to gain better insights into engineering research and technology innovation to harness the strength and synergies to bring further prosperity to the nations. As the future becomes more competitive and challenging, it is important to remain relevant and maintain the performance for continuous improvement in research & education. As such, this conference will be most significant as we explore and share ideas to further enhance our research.

ICaTAS 2022 will be divided into several sections related
but not limited to the following scientific tracks :
