

# RCND 2019

The 7th AUN/SEED-Net Regional Conference on Natural Disaster 2019

## “Disaster Management for Resilience and Sustainability”

The 7th AUN/SEED – Net Regional Conference on Natural Disaster (RCND 2019) is a continuing series of regional conferences on Natural Disaster to be held in Kuala Lumpur.

Malaysia-Japan International Institute of Technology (MJIT), Universiti Teknologi Malaysia (UTM) Kuala Lumpur invites professors, researchers, students and practitioners on disaster related studies to submit abstracts.

### Thematic Areas :

Through our theme "Disaster Management for Resilience and Sustainability" this international conference provides a forum to collect and disseminate the most updated technology and research of regional issues and public interests in the field of Natural Disaster in order to contribute to the community and to draw support from the government and industry sectors.

The Conference accepts oral and poster presentations on broad topics of natural disaster, including but not limited to the following:

- Disaster Education and Awareness
- Disaster Risk Management
- Disaster Risk Reduction
- Disaster Prevention and Mitigation
- Disaster Resilience Community
- Disaster Rehabilitation and Recovery
- Information Management for DRR
- IOT in Disaster Management
- Electronic Sensor for Disaster
- Machine learning & AI for Disaster Management
- Fluvial and Coastal Disaster
- Water-related Disaster
- Watershed Management
- Flood Management
- Water Supply and Sanitation
- Tsunami Hazard
- Earthquake Hazard
- Geological Hazard
- Volcanic Hazard
- Early Warning System
- Environmental science

**Accepted full papers will be published in conference proceeding: IOP Conference Series : Earth and Environmental Science (EES) (Indexed by Scopus and Ei Compendex)\*. Optional**

*\*imposed with article processing charge: USD 55 (international & local authors )*
