

## “MJIT-JACTIM Virtual Japanese Companies Career Fair 2022” Program Outline

“Malaysia-Japan International Institute of Technology (MJIT)” will be organizing MJIT-JACTIM Virtual Japanese Companies Career Fair 2022 as follows. It is an online career fair limited to Japanese companies. Japanese companies which interested in recruiting MJIT graduates, are most welcomed to participate.

### 1. Outline and purpose of the event

Malaysia-Japan International Institute of Technology (MJIT) was established in Kuala Lumpur in 2011 as an academic institution of Universiti Teknologi Malaysia (UTM) based on the agreement of the governments of Japan and Malaysia. With the support of the Japan International Cooperation Agency (JICA), we are promoting joint degree programs and academic exchanges in collaboration with the Japanese University Consortium, which is formed from 30 Japanese universities and institutions. Additionally, in industry-academia collaboration, we are working to promote collaboration with Japanese industry, such as internships and joint / contract research.

“MJIT-JACTIM Virtual Japanese Companies Career Fair 2022” will be held co-organized by the Japanese Chamber of Trade & Industry, Malaysia (JACTIM) and Japan International Cooperation Agency (JICA) Malaysia Office for Japanese companies wishing to hire MJIT students and graduates with the aim of promoting human resources exchange in the industrial world between the two countries.
