

“MJIT Career Fair 2024” Program Outline

“Malaysia-Japan International Institute of Technology (MJIT)” will be organizing the MJIT Career Fair 2024 in the flame of Malaysia-Japan Industrial & Innovation Expo (MJIX) as follows. This career fair limited to Japanese companies interested in recruiting UTM-MJIT graduates.

1. Outline and purpose of the event

Malaysia-Japan International Institute of Technology (MJIT) was established in Kuala Lumpur in 2011 as an academic institution of Universiti Teknologi Malaysia (UTM) based on the agreement of the governments of Japan and Malaysia. With the support of the Japan International Cooperation Agency (JICA), we are promoting joint degree programs and academic exchanges in collaboration with the Japanese University Consortium, which is formed from 31 Japanese universities and institutions. Additionally, in industry-academia collaboration, we are working to promote collaboration with Japanese industry, such as internships and joint / contract research. “MJIT Career Fair 2024” will be held co-organized by the Japanese Chamber of Trade & Industry, Malaysia (JACTIM) and Japan International Cooperation Agency (JICA) Malaysia Office for Japanese companies wishing to hire UTM especially MJIT students and graduates with the aim of promoting human resources exchange in the industrial world between the two countries.
