

## 1 Launching of MJIT Alumni Japan Chapter

The launching ceremony

On 16 September, MJIT proudly launched its Alumni Japan Chapter. The event took place during Malaysia Japan Visionaries Conference 2024 at The University of Tokyo. This Japan Chapter was established to unite MJIT alumni, especially those who are pursuing studies and those working in industries and research universities in Japan, with the aim of creating a platform for networking, career guidance, and collaboration, while fostering the strong spirit of senpai-kohai.

## 2 JLCC - MJIT Open Day

Japanese teacher demo how to play Kendama

## 3 Akita University Summer School

Visit to Engineering lab

Between 16 September until early Oct, 9 students from Akita University accompanied by academic staff visited MJIT to participate in MJIT Summer School 2024 program. The participants engaged in diverse range of activities, including classes and cultural activities

Origami making

Calligraphy session

MJIT-Japanese Language and Cultural Centre (JLCC) warmly welcomed new students for the Semester 1 2024/2025 during the MJIT Open Day on 29 September. Variety of activities, including origami, Japanese calligraphy, and Kendama were conducted to engage with these new students, at the same time to introduce JLCC to them.

## 4 Seminar by Fukuyama City Uni.

Seminar participants

Prof. Kamibeppu Takao and students from Fukuyama City University visited MJIT on 10 September. He managed to share his valuable knowledge on the "Transnational Higher Education" through a knowledge-sharing seminar.
