

1 MJIIT attends 27th JUC Meeting

Engaging meeting session at the 27th JUC

On 25 July, UTM-MJIIT joined the 27th Japanese University Consortium (JUC) Meeting hosted by Japan's Ministry of Foreign Affairs, with 31 JUC members, 5 associates members and UTM leadership. UTM delegation shared updates on the MJIIT 2.0 initiative and the newly operational Malaysia-Japan Linkage (MJL) Office, to strengthen ASEAN-wide collaboration. MJIIT's Dean also shared the Strategic Plan 2024-2030, focusing on joint research, mobility, and the Glocal Eminence Course, reaffirming Malaysia-Japan's commitment to academic excellence.

3 Industrial Visit to NOK Japan

Group photo of MJIIT-NOK representatives

Fruitful discussion between participants

MJIIT conducted an industrial visit to NOK Fujisawajigyo Shonan R&D Center, Japan, on 28 July. NOK is a global leader in oil seal technology and this visits aims to promote industrial collaboration and express appreciation to them for accepting and supporting students in industrial training. This visit included meeting MJIIT students on placement, touring advanced laboratories, and exploring potential collaborations in talent development, training, and research.
