

1 Malaysia-Japan Industrial & Innovation Expo (MJIX) 2025

Launching of MJIX 2025

MJIT successfully hosted MJIX 2025 on 14 October, bringing together more than 500 participants from industry, government agencies, academia, and local as well as international universities. Co-organized with JACTIM and JICA Malaysia, the expo featured industrial exhibitions, research showcases, innovation competitions, and networking sessions with industry partners. The programme also included a keynote address by His Excellency Shikata Noriyuki, Ambassador of Japan to Malaysia, who highlighted Japan's innovation ecosystem and ongoing collaborations. MJIX 2025 further celebrated research excellence through the MJL-JACTIM Research Competition, the iKohza/Research Innovation Showcase, and the MYRA Research Achievement Awards, recognizing outstanding and impactful contributions across MJIT's research groups.

2 Malaysia-Japan Joint Disaster Risk Reduction (MJ-DRR) 2025 Seminar

Launching of MJ-DRR Seminar

Exhibition Walkthrough

On 9 October, the MJ-DRR Seminar 2025 brought together over 300 experts, policymakers, industry players and community leaders at UTM Kuala Lumpur to strengthen bilateral cooperation in disaster resilience. Co-organised by DPPC, MJL, MJIT and UTM with NADMA, APPGM-DRM, the Embassy of Japan and JICA, the seminar highlighted both countries' commitment to using research, emerging technologies and community-driven efforts to enhance resilience. In addition to the presentations and discussions, the programme also featured a business pitch and matching session, providing a platform for participants to share ideas, showcase technologies and expand networks between Japanese industries and Malaysian organizations.

4 Academic Visit by Komaba Toho High School

On 2 October, 182 students and teachers from Komaba Toho High School, Japan visited MJIT for an academic and cultural visit. The delegation was welcomed by the MJIT Dean, followed by a presentation introducing MJIT. The Komaba Toho students then presented about their school and shared their appreciation for the opportunity to engage with MJIT. The second session, featured a briefing on JICA's initiatives and the JICA-MJIT partnership, along with a sharing session by JICA volunteer.
