

## 1 4<sup>th</sup> Edition JETRO Overseas University Connect

Introduction of MJIT presentation

MJIT has been chosen as the first university in ASEAN to represent and promote itself to more than 100 Japanese companies under JETRO Japan during the 4<sup>th</sup> Edition JETRO Overseas University Connect Seminar on 3 July. Background of MJIT, role of JICA, courses offered, career fair, hiring and internship process were introduced.

## 2 26<sup>th</sup> JUC Meeting in Japan

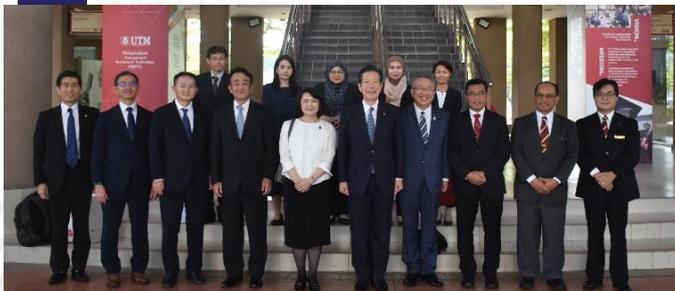

Presentation by Dean of MJIT

MJIT participated in 26<sup>th</sup> Japanese University Consortium (JUC) meeting on 5 July at Ministry of Foreign Affairs, Japan. The primary objectives of the JUC meeting were to showcase MJIT's achievements over the years and discuss collaborative plans with JUC members to enhance the Malaysia-Japan Linkage (MJL) Office at MJIT.

## 3 Courtesy Visit from Member of Parliament Japan

Delegation of Member of Parliament Komeito

Delegation of Liberal Democratic of Japan

MJIT received a delegation from the Member of Parliament of Japan, KOMEITO and Liberal Democratic Party (LDP) on 9 and 30 July 2024, respectively. The KOMEITO was represented by Mr. YAMAGUCHI Natsuo, the Chief Representative, while the LDP was represented by Mr. TOKAI Kisaburo. They were here to witness the uniqueness of Japanese-style engineering education that has been applied here.
